PERSONAL DATA PROCESSED

First name, last name, date of birth, nationality, cell phone number, health data on deaf status, upon free and informed declaration of the person concerned.

PURPOSE AND MANNER OF PROCESSING.
To offer free of charge translation support in the LIS language of the deaf to those who register for the service, the data processing is carried out by computer, written, and video conferencing in which a professional translator converses in the LIS language with the data subject and facilitates the data subject's communication with the employees of the stores within the Shopping Center who will have joined the service.

LEGAL BASIS FOR PROCESSING.
Free informed and express consent of the data subject, collected at the time of registration of his/her data.

DATA RETENTION PERIOD.
Registration data will be kept until 28/09/2025, after which they will be deleted, and the interested party who wants to continue to use the service will have to register again. However, the data subject may request deletion at any time, with the consequence that he/she will no longer be able to use the service until re-registration. Data from video calls with the professional translator, are not saved in any way.

PROVISION OF DATA

The provision of personal data is not mandatory, but it is needed in order to be able to offer the service of translation for the deaf by registering for the service itself; the consequence of not providing some or all of the data of the Interested Party, results in the inability to register for the service and be able to use it. The requested data are all necessary and essential for the management and provision of the service.

RECIPIENTS OF THE DATA

The data will be processed only by the Data Controller who has delegated the Data Processors and a sub-processor by regular written assignment in compliance with European legislation. Their names may be requested from the Data Controller by the Data Subject at any time during the duration of the service offered.

SUBJECTS AUTHORIZED TO PROCESS

The processing is carried out by the collaborators and employees authorized by the Data Controller, and by the Managers and the sub-Processing Manager, by means of written and verbal instructions on the methods of processing, and the security measures to be taken and the behavior to be maintained during processing, marked by respect for the utmost confidentiality.

RIGHTS OF THE DATA SUBJECT - COMPLAINT TO THE SUPERVISORY AUTHORITY

The data subject may at any time exercise his or her rights by writing to the Data Controller, and address complaints to the Italian Garante authority based in Piazza Venezia in Rome (RM).
The data subject's rights are:
Right to rectification, cancellation, limitation of the processing of his data; Right to data portability; Right to obtain updating and integration of data; Right to cancellation and access to his own data.
